

PROJECT PROPOSAL

European programme	Leonardo da Vinci (Mobility)
Deadline to show interest	15th January 2010
Name of proposal	<i>Mobility for the development of a Uniform Police Framework in Europe to fight against Domestic and Gender Violence</i>
Project description	<p>The “Conselleria de Governación”, as part of the Regional Government from the Valencian Community in Spain, has as its main competences everything related to public security and emergencies.</p> <p>Our department is structured in three key management areas, as follows: the General Department of Prevention, Fire Extinction and Emergency, the General Department of Citizenship Security and Protection and the General Department of Statute Development Coordination.</p> <p>We also have a prominent SECURITY AND EMERGENCIES TRAINING INSTITUTE called “IVASPE” with more than 16 years experience in the education and training of security and emergencies human resources.</p> <p>We are interested in carry out a Leonardo Project of Mobility. For this reason we are looking for partners inside the police system (police units/ teams, etc.) from EU countries which would host our professionals on active service with an executive/ technical or higher position inside our police units, Valencian Regional Police or Local Police.</p> <p>The aim of this project is contrast experiences and best practices related to: 1) Strategies in Direct, Plan, Coordinate and Organize the police management; 2) Innovative actions and police protocols to fight and prevent the Domestic and Gender Violence developed in other EU member countries; and 3) Application of new technologies models related to security.</p>
